Award

Franklin University annually awards 25 Veteran Service Recognition awards in support of our veteran population. Franklin's Veteran Service Recognition Award is a need based award available to current degree-seeking undergraduate Franklin University students who were honorably discharged from the United States Armed Forces and do not receive full tuition funding through the VA. Eligible students can receive up to $1000 per term ($3000 per year) for each term of the financial aid year (Summer 2019, Fall 2019, and Spring 2020), given that the student maintains a minimum cumulative GPA of 2.75 throughout the year. The award will not automatically renew after one financial aid year, but students are encouraged to reapply annually. The scholarship can be used for tuition and any associated e-textbook fees, but will not be awarded for more than the student's account balance and will be disbursed after other military awards and benefits are applied.
