

Franklin University - Course Schedule

M.S. Information Technology

2024-2026

Fall 2024														Spring 2025														Summer 2025																																																																											
8/19		8/26		9/2		9/9		9/16		9/23		9/30		10/7		10/14		10/21		10/28		11/4		11/11		11/18		11/25		12/2		12/9		12/16		12/23		12/30		1/6		1/13		1/20		1/27		2/3		2/10		2/17		2/24		3/3		3/10		3/17		3/24		3/31		4/7		4/14		4/21		4/28		5/5		5/12		5/19		5/26		6/2		6/9		6/16		6/23		6/30		7/7		7/14		7/21		7/28		8/4		8/11	
COMP 501 Foundations of Programming														COMP 501 Foundations of Programming														COMP 501 Foundations of Programming																																																																											
ITEC 504 – Foundations of Networks and Systems														ITEC 504 – Foundations of Networks and Systems														ITEC 504 – Foundations of Networks and Systems																																																																											
ISEC 610 Information Assurance														ISEC 610 Information Assurance														ISEC 610 Information Assurance																																																																											
ISEC 610 Information Assurance														ISEC 610 Information Assurance														ISEC 610 Information Assurance																																																																											
DATA 630 Applied Database Management														DATA 630 Applied Database Management														DATA 630 Applied Database Management																																																																											
DATA 630 Applied Database Management														DATA 630 Applied Database Management														DATA 630 Applied Database Management																																																																											
DATA 630 (F2F)														DATA 630 (F2F)														DATA 630 (F2F)																																																																											
ITEC 640 Project Management														ITEC 640 Project Management														ITEC 640 Project Management																																																																											
ITEC 660 Web Development & Deployment														ITEC 660 Web Development & Deployment														ITEC 660 Web Development & Deployment																																																																											
ITEC 670 - Network, Cloud and Systems Management														ITEC 670 - Network, Cloud and Systems Management														ITEC 670 - Network, Cloud and Systems Management																																																																											
ITEC 690 - IT Strategy and Policy														ITEC 690 - IT Strategy and Policy														ITEC 690 - IT Strategy and Policy																																																																											
BREAK (2)														BREAK (1)														BREAK (1)																																																																											
Fall 2024														Spring 2025														Summer 2025																																																																											
8/18		8/25		9/1		9/8		9/15		9/22		9/29		10/6		10/13		10/20		10/27		11/3		11/10		11/17		11/24		12/1		12/8		12/15		12/22		12/29		1/5		1/12		1/19		1/26		2/2		2/9		2/16		2/23		3/2		3/9		3/16		3/23		3/30		4/6		4/13		4/20		4/27		5/4		5/11		5/18		5/25		6/1		6/8		6/15		6/22		6/29		7/6		7/13		7/20		7/27		8/3		8/10	
COMP 501 Foundations of Programming														COMP 501 Foundations of Programming														COMP 501 Foundations of Programming																																																																											
ITEC 504 – Foundations of Networks and Systems														ITEC 504 – Foundations of Networks and Systems														ITEC 504 – Foundations of Networks and Systems																																																																											
ISEC 610 Information Assurance														ISEC 610 Information Assurance														ISEC 610 Information Assurance																																																																											
ISEC 610 Information Assurance														ISEC 610 Information Assurance														ISEC 610 Information Assurance																																																																											
DATA 630 Applied Database Management														DATA 630 Applied Database Management														DATA 630 Applied Database Management																																																																											
DATA 630 Applied Database Management														DATA 630 Applied Database Management														DATA 630 Applied Database Management																																																																											
DATA 630 (F2F)														DATA 630 (F2F)														DATA 630 (F2F)																																																																											
ITEC 640 Project Management														ITEC 640 Project Management														ITEC 640 Project Management																																																																											
ITEC 660 Web Development & Deployment														ITEC 660 Web Development & Deployment														ITEC 660 Web Development & Deployment																																																																											
ITEC 670 - Network, Cloud and Systems Management														ITEC 670 - Network, Cloud and Systems Management														ITEC 670 - Network, Cloud and Systems Management																																																																											
ITEC 690 - IT Strategy and Policy														ITEC 690 - IT Strategy and Policy														ITEC 690 - IT Strategy and Policy																																																																											
BREAK (2)														BREAK (1)														BREAK (1)																																																																											
Preferred Pathway Options																																																																																																							
Learning Technology														IT Leadership														IT Management																																																																											
IDPT 601- Foundations Of Instructional Design														PSYC 601- Introduction To Business Psychology														MGMT 711- Business Environment																																																																											
IDPT 640- Enhancing Learning with Technology														PSYC 602- Individual and Organizational Intelligence														ACCT 729- Financial and Managerial Accounting																																																																											
IDPT 645- Learning Management Systems														PSYC 603- Managerial Psychology														OSCM 731- Operations Management																																																																											
Data Analytics														Cyber Security														IT Healthcare																																																																											
MATH 601- Introduction To Analytics														ISEC 630- Information Risk Management														HIM 702- Health Information Governance																																																																											
DATA 605- Data Visualization and Presentation														ISEC 650- Advanced Network Security														HIM 710- Clinical Workflow and Applications																																																																											
DATA 610- Big Data Analytics														ISEC 670- Ethical Hacking														HIM 761- Healthcare Analytics
